PRESIDENT'S MESSAGE OF WELCOME

It gives me pleasure, on behalf of the South Australian Soccer Federation, to welcome for the first time, the U.S.S.R. National Team to South Australia.

I have no doubt that the U.S.S.R. National Team's visit to Australia will be a thorough success and I am sure our officials, coaches and players will not miss this opportunity to see our guests in action.

We know that there is a great deal to learn from U.S.S.R. Team, but things are changing and there is no reason why Australia, which has produced so many champions in other sports, cannot compete with the best on equal terms in Soccer.

In the curtain-raiser we will see our State Team, although depleted, take on the Australian B Team and here also we are certain to witness a close match with plenty of good soccer.

I am convinced that the U.S.S.R. party will receive the warm and hospitable reception for which the Australians are famous. Let's all make their stay here a memorable one, thus ensuring that they will come again soon.

R.C. TAYLOR
President
